Dear Shannon,

Thank you so much for the letter that you forwarded to me. My husband planned to take everything away from me: my cl my job, and in order to fulfill his vicious plans of completely destroying me, he filed false allegations against me with Chik to help him achieve his goal. For the past few years, my life is complete nightmare, but I strongly believe that God will he this difficult situation because He is above everyone.

Thank you so much and God Bless You,

Justyna.
